Doggy Daycare Policies

AGE: All dogs must be 4 months of age or older

SEX: All dogs over the age of 8 months must be spayed or neutered

VACCINATIONS: All dogs must have current vaccinations (Distemper, Hepatitis, Leptospirosis, Parainfluenza, Parvovirus, Rabies, & Bordatella). Owners are required to provide proof of current vaccinations. Bordatella (Kennel Cough) vaccines are required every 6 months for daycare dogs. If your dog does not get the Bordatella vaccination they are at greater risk of contracting the virus.

HEALTH: All dogs must be in good health and must not have been ill with a communicable condition within the last 30 days. All dogs must be on a flea prevention program and year round heart worm preventative. If your dog is sick, i.e. Coughing, Sneezing, etc. they will be confined to a separate area and you will be called to pick them up. We take great care in keeping our daycare free of illness yet there are inherent risks of catching colds in a free play environment where dogs are allowed to come in close contact with each other.

DOG BEHAVIOR: All dogs must be non-aggressive and not food or toy protective and must pass the try-out day. We implement the use of gentle leaders, citronella spray collars, and occasionally remote collars in the event that a dog’s behavior is problematic or needs correction. We strive to work closely with the owners to correct problem behaviors and help your dog become a healthy, happy member of the pack. Dogs are enrolled into the daycare program at the sole discretion of The Executive Dog, Inc. and are subject to removal from the program at any time by The Executive Dog, Inc. for behavioral issues.

HUMAN BEHAVIOR: Please enter and exit the daycare quietly!! Please do not talk to the dogs or make eye contact with the dogs. We like to maintain a calm level among the dogs and talking or getting their attention creates levels of excitement that are unacceptable.

FEES: Full day is \$38.00 per day. Additional discounts are available with purchase of daycare packages.

HOURS: Monday through Friday from 7am- 6 pm. All dogs are expected to be picked up on time. There will be a late charge of \$1.00 per minute for any pet left after 6:00 pm. Dogs will not be allowed to be picked up between the hours of 12noon-2pm (this is the scheduled naptime).

RESERVATIONS: Required. No shows will be charged full fees or one day deducted from your package if cancellation was not given.

SNACKS/NAP: All dogs are required to take a mandatory nap between the hours of 12noon-2pm. All dogs are crated, lights go down and soft music is played for them. At this time they are each given a snack in their crate. If your dog is not crate trained and they are excessively disruptive during naptime, you are welcome to pick them up before nap otherwise they will no longer be candidates for the daycare program.

MINIMUMS: All dogs must attend daycare at least one day per week in order for them to fully integrate into the pack structure.
